

We are all PARTS of the Renaissance Community

Who we are: Parents Acting for Renaissance Teachers & Students (PARTS) is the very active booster club at Renaissance High School. PARTS is a non-profit, 501(c)(3) organization, not a PTA, so 100% of donations fund activities that benefit our school.

What we do: We sponsor scholarships, provide support for performances, supply college prep info., and support RHSA arts and academics in many ways – financially and hands-on.

Our mission: We promote parent involvement and partnership with teachers and staff to prepare students for college and career success. All staff, students, parents and guardians are welcome and encouraged to get involved to support the experiences of our students.

Your donations:

- Supply classroom materials beyond the school budget
- Provide transportation to exciting competitions and field trips
- Are tax-deductible and greatly appreciated!

How to help: Attend a meeting, help plan activities, chaperone, donate items, or come hear how parents can help students excel.

Your next steps: To join, return this form to the office or our first meeting. Check www.rhsaparts.org for meeting dates and activities. Questions? email rhsaparts@gmail.com. Or contact Elaine Del Bello at (562) 930-0974.
