Dear Community Partner:

We are a volunteer parent group for Renaissance High School for the Arts, known as RHSA PARTS (Parents Acting for Renaissance Teachers and Students), and we are holding a Dinner/Dance & Silent Auction fundraiser at the Seal Beach Yacht Club on Friday, April 20, 2012. Every dollar we raise will help us save our video production department (cut from LBUSD's budget), fund buses to send our spectacular Jazz Band to competitions, and replenish our scholarship fund for deserving students.

We are seeking donations of products or gift certificates for a silent auction and opportunity drawing to be held that evening. Your donation is not only tax deductible (we are a nonprofit 501(c)3 group), but will promote your business to the parents, teachers, and community members who will be attending the event, many of whom are members of the Seal Beach Yacht Club.

Will you help? We appreciate any type of product, gift certificate, or even a cash donation. If you are interested in sponsoring a table or purchasing tickets, please see our flyer enclosed.

A PARTS volunteer will need to pick up your donation by **Friday, April 13** to be sure you are included. Please feel free to provide business cards for us to display as well. If you have any questions, please contact Nanette Davis at 562/537-7806.

On behalf of the parents, teachers, and students at Renaissance High School for the Arts, we are extremely grateful for any donation you can make.

Yours truly,

RHSA PARTS Board
