Dear Community Partner:

We are a volunteer parent group for Renaissance High School for the Arts, known as RHSA PARTS (Parents Acting for Renaissance Teachers and Students), and we are holding a Dinner/Dance & Dessert Auction fundraiser at the Seal Beach Yacht Club on Friday, November 15, 2013. Every dollar we raise will help us fill the gaps in our arts programs due to severe budget cuts, save our video production department (cut from LBUSD's budget), and replenish our scholarship fund for deserving students.

We are seeking donations of products or gift certificates for an opportunity drawing to be held that evening. We are also holding a Dessert Auction to cap off the evening, where bidders will be enticed by a variety of luscious desserts and encouraged to bid on them to either take home or share with table mates at the event. ***This is a great way to promote your business!*** Your donation is not only tax deductible (we are a nonprofit 501(c)3 group), but will demonstrate your support to the parents, teachers, and community members who will be attending the event, many of whom are members of the Seal Beach Yacht Club.

Will you help? We appreciate any type of product, gift certificate, or even a cash donation. If you are interested in sponsoring a table or purchasing tickets, please see our flyer enclosed.

A P.A.R.T.S. volunteer will pick up your donation by **Friday, November 8** to be sure you are included. For dessert donations, we will pick up the day of the event, **Friday, November 15** by 3:00 p.m. Please feel free to provide business cards for us to display as well. If you have any questions, please contact Nanette Davis at 562/537-7806 or Damaris Johnson at 562/233-1481.

On behalf of the parents, teachers, and students at Renaissance High School for the Arts, we are extremely grateful for any donation you can make.

Yours truly,

RHSA PARTS Board

Nanette Davis, President

Damaris Johnson, Vice President

Mignon Richardson, Vice President

Charlene Wynne, Treasurer

Karyn McNab, Secretary

RHSA PARTS is a nonprofit 501(c)3 parent booster club for
