Principal's Report:

Some staff and students have been out with Covid, but campus has been calm. Business as usual for the most part. The school has had enough subs to cover missing teachers. Incoming 9th graders will all be first choice students with a possibility that some may even be turned away. Midterms are coming up and staff has been asked to not overly stress out students especially if the student has been ill. There will be a day before Spring Break where families will be invited on campus for lunch. "Lunch with a Loved One" And a big thank you to PARTS and ASB for everything they do for the students and staff.

ASB Report:

ASB members have been ushering at events and having movie nights. They sold concessions at Movie Night. They are planning another movie night during Black History month. ASB has

been working on boosting morale on campus and spirit weeks. ASB hopes school will stay in person. They are trying to keep everyone involved.
