### **Principal's Report:**

The school had received an online threat. It was taken very seriously with school safety and law enforcement present at the school on Monday morning. The student was expelled from LBUSD.

Mr. Navia wanted to emphasize that the school is not cutting any performing arts. The only thing is the imbalance between classes wanted by students and classes being offered. The Master Schedule will be based on the wants of the students which right now leans towards the visual arts. The Dance Concert was this weekend at Poly High School. It was a success. US News and World Report listed Renaissance as a top high school. And finally a huge thank you to PARTS for teacher appreciation week treats.
