**Date:** Tuesday - February 2, 2021

**Location:** Zoom

**In Attendance:** Jeremy Dodgen, Lori Brake, and Alicia Doyle

**Called to order:** at 6:14 by Jeremy Dodgen, President

**Board Positions/Membership Ideas:** Jeremy will reach out to two parents that have shown interest in Board Positions. We will have President, Vice President and Treasurer positions available for next school year. Elections should be held in April.

**Fundraising:** We have two upcoming dinner outs. February 25th at Applebee's in Lakewood. Baja Sonora on March 25th on Clark. Panda Express raised approximately \$85.00. A few people stated that they did not think RHSA got credit. The Board decided to not offer a variety show this school year. We will look at it again for the next school year. Each Board member has agreed to send out 5 letters to local companies to ask for donations within the next week.

**Requests:** Mr. Navia has asked if PARTS would like to do something for the incoming students. There will be approximately 128 incoming 9th graders. Lanyards and stickers were suggested. PARTS is willing to do, but we will need more information as to who will be delivering or will school include in a mailing to students. Once more information is received we can vote on the expenditure either at the upcoming PARTS meeting or via email.

**Scholarship:** It was decided scholarship applications would be available March 1st to March 31st. The application will be done online via a google form. Lori will work on application and instruction pages, but will share with Jeremy and Alicia for input. We will run a Facebook fundraiser. Jeremy will look into a GoFundMe fundraiser. The Board would like to offer a Leon Broussard scholarship, but need to ask if his parents are in agreement with that.

**Next Meeting:** February 9, 2021

**Meeting adjourned:** at 7:00pm by Jeremy Dodgen, President
