RHSA Parents for the Arts Booster Campaign 2020

Dear _____,

Parents for the Arts (PARTS) is the sole parent-volunteer booster program at Renaissance High School for the Arts. The mission of PARTS is to provide funding to help maintain and improve upon RHSA's high standards; to support parent involvement and education about post-secondary options including college and vocational training; and to build a strong community of parents, teachers, and staff who work together to promote the success and well-being of all students at RHSA. Funds that this organization raises will be used for various events and activities at RHSA, all of which will help our students thrive.

Some specific ways that the PARTS volunteers plan to support the school will be through organizing and hosting virtual guest speaker workshops with professionals with careers in the arts, by providing vital supplies and program support for our teachers, by offering scholarships for graduating seniors, and by continuing and increasing ways to recognize our Distinguished Artists.

Today, I am reaching out to you to ask for a donation, of any amount, to this incredible program. *Every* penny of your tax-deductible donation will go toward the cost of the supporting the arts and academic at RHSA, and will be deeply appreciated by the PARTS members, and, more importantly the RHSA students that they serve.

How can you help? Visit the PARTS webpage at <http://www.rhsaparts.org> Donations may be made via PayPal or Facebook, by signing up with AmazonSmile, or simply by mailing a check! Please make checks payable to "LB Renaissance HS PARTS", with PARTS Booster Campaign in the memo section, and mail it back to PO Box 1076 Long Beach, CA 90801

Thank you so much in advance for your donation and your support of our arts programs at Renaissance High School for the Arts!

Sincerely,

RHSA PARTS
